N. B. I have here given the best Account I was able to procure of the Diseases whereof the above Number of Persons have died,
 after the Example of the London Clerks; and I humbly hope it will be consider'd, that I have no Searchers to take Reports from,
 as they have, but that the above Account was attain'd by diligent Enquiry; and that my judicious Masters will candidly accept it,
 and be propitious to
 Their Humble Servant,
 A. Phillips.
